## OPEN ENDED QUESTIONS (QUALITATIVE)

**DEPARTMENT PROVIDED QUESTIONS:** Questions in this section were selected by your department for inclusion on this evaluation.

### List the section leader's most effective characteristics.

Comments
Explains materials fair enough to students
Ability to clearly explain difficult material through concrete examples.
Greg is an awesome explainer. He understands what he's teaching, which makes it easy to follow.
Speak well organized breaking down complex concepts
clearly explains complex ideas from lecture
SO HELPFUL! Always explains the topics that were more difficult or unclear from lecture.
The section notes, Section slides and ability to explain material and answer questions he was literally the best GSI

### List the section leader's least effective characteristics (suggestions for improvement).

Comments
N'. I thought Greg was an amazing GSI for the course.
Better feedback (more explanation as to why points were deducted) on the homework would be nice!
give us more example when explaining a complex concept not much Q&A time during section
could speed up pace and give less time for student interruption
Best GSI I have had at Cal

### List the most effective aspects of this section.

Comments
Doing examples on the board.
The practice problems in the handouts!
align with the course
focus's on most important/useful ideas from lectures, notes are very helpful
Literally dont change anything this has been a truly valuable section from the notes and handouts to slideshows I truly gained a deeper knowledge of the material because of this section!

### List the least effective aspects of this section (with suggestions for improvement).

Comments
Sometimes group work stagnated the section a little.
I don't really have any suggestions.
teach Stata during section
more time on stata would help
maybe add additional sections focused on stata
